Port Orange Elks Lodge #2723 participated at the Port Orange Family Days on October 6 and 7, 2018. A total of nine (9) high school students from both the Atlantic High and Spruce Creek actively volunteered both days to distribute pamphlets and flyers on the dangers of the using both recreational drugs, alcohol and overuse of prescription drugs.

A number of members from our Lodge also were present to help with the program. One thousand pamphlets were distributed to the public. This is the highest number of visitors to our Drug Awareness Trailer compared to the past few years. The student volunteers were presented with a Certificate for their service to the Lodge and to the public at large.
