

OCTOBER, 2018 ELK OF MONTH

Art Rauch is a quiet man with a great smile under all conditions. He is totally devoted to Port Orange Elks Lodge #2723 and supports all our functions, helping where ever he can. We see Art at all the meetings; Friday night dinners, special functions and fund raisers. He sets an extremely high example of what an Elk member is. It is with great pleasure to announce that he is the October Elk of the Month.
