

ELKS DRUG AWARENESS PROGRAM

Every year, the Elks Drug Awareness Program hands out more than seven million pieces of anti-drug literature to parents, teachers and kids. The brochures are primarily distributed through the program's 90 drug education trailers, which travel to community gatherings, such as fairs and sporting events. The Elks have also teamed with Marvel Comic Books to produce a book featuring Marvel superheroes and Elroy the Elk in a battle against underage drinking. Other educational materials offered by the program include prevention tools for parents, videos, coloring books, posters and public service announcements.

NOVEMBER ELK OF MONTH

Our November Elk of the Month is a gentleman who displays the qualities of being an Elk member. He serves the Lodge in many ways and is always looking out for the welfare of our Lodge. It is with great pleasure to announce **Dan Black** as the November Elk of the Month.

HOUSE COMMITTEE

The new food ordering system seems to be improving. Thanks for all your understanding while we figured out the system. This month the new cook will be changing the menu to include some of his new dishes. We will continue to have fish; broiled, blackened and fried every week. There are numerous events scheduled for the month of November. Please come out and support your lodge and these events. We need your support

Thanks, The House Committee
