

MARCH 2019 ELK OF MONTH

With the March winds comes our Elk of the Month. She is a person who brings laughter and joy where ever she is. She started volunteering at the Lodge before she was a member with meals on wheels. Since becoming a member and also enduring a hurricane which destroyed her home, she is seen in the Lodge on Friday nights working the meals. She is also very active with veteran affairs, going to the Emory Bennett VA Nursing Home to celebrate the birthdays each month. Where ever there is a need, you see her volunteering to help. It is with great pleasure to announce **Edna "E.J." Collazo** as the March Elk of the Month
