

MAY, 2018 ELK OF THE MONTH

Our May Elk of the Month is a lady who works very quietly and accomplishes projects with great enthusiasm. It is with great please to present Elaine Kuczowski as the May Elk of the Month. She partnered with Home Depot and received a \$6000 grant to upgrade gardens at Emory Bennett Veterans Nursing Home. She also co-chaired events for Elks National Foundation and Breast Cancer Awareness. Elaine is involved in preparing and serving the yearly BBQ for the veterans, volunteers for Lodge events in setting up, serving and cleaning up for such events at Meals on Wheels, dinners, Wednesday bar bingo and other Lodge activities as needed. She a great example of what a true Elk member is.
