

SCHOLARSHIP NEWS

It is hard to believe that the Most Valuable Student scholarship applications from Elks National Foundation deadline is November 15th. Applications are completed on line and will be rejected if submitted after the deadline. I would like to remind those who have children or grandchildren that are seniors in high school to check on their computers for all available scholarships and check with their guidance counselors for scholarship applications available. You can also check with the college/university that you plan to attend for their lists of available scholarships.
